

MOS 4999E HONORS THESIS - APPLICATION OF INTEREST

Honors Specialization Consumer Behavior or Human Resource Management Students who think they may be interested in pursuing an Honors Thesis should submit the below information by **July 30th, 2017**. There is limited enrolment in the course, and enrolment will be based on academic criteria and shared research interests with a professor in DAN Management.

Applications will be reviewed, followed by email discussions with a potential supervisor, and with **notification of enrolment availability in the course then communicated to the student prior to August 15th**. MOS 4999E is very limited, and is conditional on the availability of professors. Students are advised to enroll in a full course load during course registration, with the expectation that once enrolment in MOS 4999E is confirmed the student would unenroll from a course(s) of equal value.
