MOS 3360A Section – 001
INTERMEDIATE ACCOUNTING I
Summer 2019
Course Outline

1. Course Information:
   1.1 Class Location and Time:
      ROOM: SH-3315
      TIME: TUESDAYS & THURSDAYS 6:00PM-9:00PM
   1.2 Contact Information:
      Instructor: Robert Pilling, CPA, CA
      Office: SSC 4419
      Office Hours: Thursdays 4:30-5:30pm & After Class each day as required
      Phone: (519) 661-2111 x87273
      Email: RPILLING@uwo.ca

      DAN Department of Management & Organizational Studies strives at all times to provide accessibility to all faculty, staff, students and visitors in a way that respects the dignity and independence of people with disabilities. Please contact the course instructor if you require material in an alternate format or if you require any other arrangements to make this course more accessible to you. You may also wish to contact Services for Students with Disabilities (SSD) at 519-661-2147 for any specific question regarding an accommodation.
      More information about “Accessibility at Western” is available at:
      http://accessibility.uwo.ca

2. Calendar Description
   2.1 Course Description:
      Theory and concepts of financial accounting with particular emphasis on financial statements, revenue recognition, and current and long-term assets.

      3 lecture hours, 0.5 course

      Antirequisite(s): Business Administration 4417A/B.

      Prerequisite(s): Business Administration 2257 and enrollment in 3rd or 4th year of BMOS or Music Administrative Studies (MAS).
2.2 Senate Regulations

Senate Regulations state, “unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you will be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.”

This regulation is in regards to the COURSES required. Students not in BMOS are permitted to enroll in up to 1.0 MOS courses, per the Academic Timetable.

3. Textbook

ISBN: Volume 1 + Next Gen WileyPLUS: 9781119496519
Volume 1 Next Gen WileyPLUS stand alone: 9781119496540

4. Course Objectives and Format

The DAN Department of Management and Organizational Studies as a whole draws upon an evidence-based management approach. Evidence-based management is the systematic process of gathering evidence from multiple sources, critically appraising the evidence, and using that evidence in making and evaluating management decisions to improve organizational performance.

4.1 Course objectives

1. Understand the objective of financial reporting and the conceptual framework.
2. Prepare two financial statements- the Statement of Financial Position and the Statement of Comprehensive Income (or the ASPE equivalent statements the Balance Sheet and Income Statement)
3. Properly account for the issues associated with revenue recognition.
4. Assess the accounting issues associated with current and long-term assets in order to determine the appropriate approach for recognition, measurement, presentation and disclosure.

4.2 Course format

Class time: Class time will consist of lectures, problem solving and discussion. Class discussion is expected so please be prepared for class.

Solutions: This course has a NO PHOTOS policy. Students are not permitted to take pictures of work done in class by the professors. Official solutions to the assignment problems will be made available on OWL after the relevant material is covered by all sections.

Self-Study Problems: Self-study problems will provide the student with the opportunity to practice the course material. The problems need not be submitted and will not be graded.
The suggested solutions will be made available on OWL so that the students can check their own solutions and thereby determine their understanding of the material. The instructor should be consulted if the student has difficulty in understanding the suggested solution. **Quiz, Assignment and Examinations:** The quiz, assignment and examinations will test the student's comprehension of both the technical and conceptual aspects of the course.

Mastery of intermediate accounting concepts will require considerable time reading the textbook, CPA Handbook, and attempting assigned accounting problems. To perform well in this course, you must spend time answering accounting problems and checking the answers to test your understanding. To maximize your learning, you should make an honest attempt at the accounting problem **before** reviewing the solution. This is not a course to register in if you are seeking an easy credit. For many students, this course is a difficult one. The difficulty arises from a challenging subject matter as well as failing to devote enough time preparing accounting problems. You will find that there is likely to be a direct correlation between the number of accounting problems you prepare, the adequacy of your debrief of those problems, your attendance in class and your course grade.

5. **Learning Outcomes**

At the end of the course, students will be able to

1. Understand the importance of financial reporting and its use in the business world for the allocation of scarce resources.
2. Become familiar with and able to apply accounting standards related to revenues on the statement of comprehensive income.
3. Accurately record assets and their related allocations to the earning process on the statement of financial position.
4. Understand and apply the concepts of recognition and derecognition of property plant and equipment assets as well as calculate and report depreciation of the assets as part of the earnings process.
5. Understand and apply the concepts of recognition and derecognition of intangible assets as well as calculate and report amortization of the assets as part of the earnings process.

Various further detailed learning objectives are presented on the course site.
6. Evaluation

In-Class Quiz (May 14th beginning at 6pm – 30 minutes) 10%
Class participation 10%
Mid-term Exam (May 24th beginning at 6pm – 3 hours) 35%
Final Exam (June 14th, beginning at 6pm – 3 hours) 45%

The in-class quiz consists of multiple choice questions and journal entries to post from situations given.

Exams are multiple small cases in format. Each exam, in total, will be scheduled for 3 hours consist of a varying number of questions, and are closed book examinations. Dictionaries are NOT allowed into the examinations.

CALCULATORS are recommended for the examinations. Only non-programmable calculators will be allowed into the exams. If you are unsure, please ask your professor to check your calculator.

Electronic devices of any kind (including pagers, cell phones, smart watches and calculators) are NOT permitted at exams.

Students are responsible for material covered in the lectures as well as the assigned chapters/sections in the text. The quiz will be in class time. Both the mid-term exam and the final exam will be scheduled on the dates noted above. Exams will not be returned to students but may be reviewed in the instructor’s office.

Students are REQUIRED TO COMPLETE ALL COMPONENTS of this course. There are no exceptions to this. Extra assignments to improve grades will NOT be allowed.

The quiz will be scored using the program Scan Exam which examines the answer sheets for unusual coincidences in the pattern of answers given which may be indicative and used as supporting evidence of cheating.

Grades will not be adjusted on the basis of need. It is important to monitor your performance in the course. Remember: You are responsible for your grades in this course.

7. Lecture and Examination Schedule

See schedule on OWL class site.

8. Student Responsibilities

Material covered in lectures will not always be the same as material covered in the textbook. These two sources should be viewed as complimentary and not redundant. As such, students who want to do well in this course are strongly encouraged to attend lectures on a regular basis. Please note that the instructor will not be providing copies of lectures notes or overheads. Therefore, if you miss a lecture, you should try to obtain this material from another student.
8.1 **Respect**
Please act respectfully towards the classroom, the Professor and your fellow students. Acting respectfully means arriving on time, turning off phones, avoiding private discussions during lectures, refraining from viewing non-course material on your laptops, and cleaning up after yourself. Acting respectfully provides a better learning experience for everyone.

Private in-class discussions are distracting to students and the Professor. If other students are distracting your attention from the material, you should ask them to be quiet. If you feel uncomfortable doing this (or the problem persists), please see the instructor.

Late arrivals are also distracting. Please try to arrive on time for classes.

8.2 **No Recording of Classes**
Students are not permitted to record any portion of a class, audio or video, without the prior written permission of the professor.

8.3 **COPYRIGHT NOTICE**

Lectures and course materials, including power point presentations, outlines, and similar materials, are protected by copyright. You may take notes and make copies of course materials for your own educational use. You may not record lectures, reproduce (or allow others to reproduce), post or distribute lecture notes, wiki material, and other course materials publicly and/or for commercial purposes without my written consent.

9. **Exam Policies**
- Bring student identification to exams.
- Nothing is to be on/at one's desk during an exam except a pencil, an eraser, and the individual's student card
- Do not wear baseball caps to exams
- Do not bring music players, cell phones, beepers, or other electronic devices to exams
- To ensure fairness to all students, questions will not be answered during exams.

10. **E-mail Policies**
The following policies apply to all emails between students and the Professor. Please respect the fact that the Professor receives hundreds of emails from students and must deal with those emails in a fair and organized manner. Unacceptable emails will receive a reply saying only “Please see Email Policies on the course outline”.

10.1 **UWO.CA Email Addresses Only**
For privacy reasons, students must use their Western email accounts to contact the Professor. The Professor will not respond to emails from non-uwo.ca addresses (e.g. hotmail.com, gmail.com, etc.).
10.2 Subject Line Must Include Course and Section Number
The subject line of emails must contain the name or number of the course, and the section number in which the student is enrolled. The Professor teaches different courses and sections and cannot properly respond to questions if he does not know which course or section you are enrolled in.

10.3 Acceptable Emails
• questions about the course content or materials
• asking to set up an appointment to ask questions or review an exam
• notification of illness or other special circumstances
• providing constructive comments or feedback about the course

10.4 Unacceptable Emails
• questions that may be answered on OWL or on this course outline
• asking when grades will be posted
• asking what grade a student received
• asking where or when an exam is scheduled or the material covered on an exam
• requests for grade increases, extra assignments, or reweighting of course components

11. Attendance
It is expected that students will attend all classes. The professor does not provide access to lecture notes. Students are encouraged to obtain missed lecture notes from a fellow student.

11.1 Short Absences.
If you miss a class due to minor illness or other problems, check your course outlines for information regarding attendance requirements and make sure you are not missing a test or exam. Cover any readings and arrange to borrow the missed lecture notes from a classmate.

11.2 Extended Absences.
If you are absent more than approximately two weeks or if you get too far behind to catch up, you should consider reducing your workload by dropping one or more courses. The Academic Counsellors can help you to consider the alternatives. At your request, they can also keep your instructors informed about your difficulties.

12. Grade Fairness
Fairness requires that all students be treated equally and be evaluated using the criteria set out in this course outline. The evaluation criteria are based on actual achievement and not on how hard a student has tried. Claims by students of an excellent academic history, good attendance record, need to obtain or maintain a scholarship, desire to be admitted to Ivey or graduate school, or other personal issues, cannot be used to justify a higher grade in the course or a reweighting of course components. There is no extra work or assignments available for extra credit or to “make up” for a course component that was missed or performed poorly.
13. Posting of Grades

Midterm exam grades will be posted on OWL once the grades are available. Final exam grades and final course grades are not posted on OWL and are available once they have been posted by the Registrar under “Academic Summary” at the Student Centre website.

14. University Policy Regarding Illness

14.1 Illness

The University recognizes that a student’s ability to meet his/her academic responsibilities may, on occasion, be impaired by medical illness. Illness may be acute (short term), or it may be chronic (long term), or chronic with acute episodes. The University further recognizes that medical situations are deeply personal and respects the need for privacy and confidentiality in these matters. However, in order to ensure fairness and consistency for all students, academic accommodation for work representing 10% or more of the student’s overall grade in the course shall be granted only in those cases where there is documentation supplied (see below for process) indicating that the student was seriously affected by illness and could not reasonably be expected to meet his/her academic responsibilities.

Documentation shall be submitted, as soon as possible, to the appropriate Dean’s office (the Office of the Dean of the student’s Faculty of registration/home Faculty) together with a request for relief specifying the nature of the accommodation being requested. These documents will be retained in the student’s file, and will be held in confidence in accordance with the University’s Official Student Record Information Privacy Policy http://www.uwo.ca/univsec/pdf/academic_policies/general/privacy.pdf

Once the petition and supporting documents have been received and assessed, appropriate academic accommodation shall be determined by the Dean’s Office in consultation with the student’s instructor(s). Academic accommodation may include extension of deadlines, waiver of attendance requirements for classes/labs/tutorials, arranging Special Exams or Incompletes, re-weighting course requirements, or granting late withdrawals without academic penalty.

Academic accommodation shall be granted only where the documentation indicates that the onset, duration and severity of the illness are such that the student could not reasonably be expected to complete his/her academic responsibilities. (Note: it will not be sufficient to provide documentation indicating simply that the student was seen for a medical reason or was ill.)

A form to be completed by off-campus physicians is available at:
http://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf

Whenever possible, students who require academic accommodation should provide notification and documentation in advance of due dates, examinations, etc. Students must follow up with their professors and their Academic Counselling office in a timely manner.
In the case of a final examination in the course, the student must arrange for a Special Examination or Incomplete through their Dean's office, for which you will be required to provide acceptable documentation.

If you feel that you have a medical or personal problem that is interfering with your work, you should contact your instructor and the Faculty Academic Counselling Office as soon as possible. Problems may then be documented and possible arrangements to assist you can be discussed at the time of occurrence rather than on a retroactive basis. In general, retroactive requests for grade revisions on medical or compassionate grounds will not be considered.

14.2 Make Up Examinations
The student must write a make-up exam if the regularly scheduled exam is missed for reasons for which adequate documentation is received by the instructor (this documentation must be supplied by the Academic Counseling office).

15. University Policy on Cheating and Academic Misconduct
Cheating on exams will not be tolerated; students are referred to the university policy on scholastic offenses. Looking at the test of another student, allowing another student to view your exam, or obtaining information about a test in advance are all examples of cheating. Students found cheating will receive a zero (0%) on that exam. A number of safeguards will be employed to discourage cheating. For example, examination supervisors (proctors) of the tests may ask students to move to another seat during the exam, cover their paper, avert their eyes from other students' papers, remove baseball caps, etc. This is not meant as a personal affront nor as an accusation of cheating, rather as vigilant attempts at proctoring. A copy of guidelines about how to avoid cheating can be obtained from the office of the Ombudsperson, Room 3135 WSSB, (519) 661-3573, ombuds@uwo.ca.

Students are responsible for understanding the nature of and avoiding the occurrence of plagiarism and other academic offenses. Students are urged to read the section on Scholastic Offenses in the Academic Calendar. Note that such offenses include plagiarism, cheating on an examination, submitting false or fraudulent assignments or credentials, impersonating a candidate, or submitting for credit in any course without the knowledge and approval of the instructor to whom it is submitted, any academic work for which credit has previously been obtained or is being sought in another course in the University or elsewhere. If you are in doubt about whether what you are doing is inappropriate, consult your instructor. A claim that "you didn't know it was wrong" will not be accepted as an excuse.

The penalties for a student guilty of a scholastic offense include refusal of a passing grade in the assignment, refusal of a passing grade in the course, suspension from the University, and expulsion from the University.
16. Procedures For Appealing Academic Evaluations

1. In the first instance, all appeals of a grade must be made to the course instructor (informal consultation).
2. If the student is not satisfied with the decision of the course instructor, a written appeal must be sent to the Undergraduate Chair: Student Affairs of the Department of Management and Organizational Studies.
3. If the response of the Undergraduate Chair is considered unsatisfactory to the student, he/she may then appeal to the Dean of the Faculty in which the course of program was taken.
4. Only after receiving a final decision from the Dean, may a student appeal to the Senate Review Board Academic. A Guide to Appeals is available from the Ombudsperson's Office.

17. Support Services

17.1 Support Services
The Registrar's office can be accessed for Student Support Services at http://www.registrar.uwo.ca
Student Support Services (including the services provided by the USC listed here) can be reached at: http://westernusc.ca/services/
Student Development Services can be reached at: http://www.sdc.uwo.ca/

Students who are in emotional/mental distress should refer to Mental Health@Western http://www.health.uwo.ca/mental_health/ for a complete list of options about how to obtain help.

17.2 Academic Concerns.
If you are in academic difficulty, it is strongly recommended that you see your academic counsellor.

18. Other Issues

18.1 Grade Policy
The DAN Department has a grade policy which states that for courses in the 3000-4000 range, the class average must fall between 70% and 77% for all sections of a course taught by the same instructor. In very exceptional circumstances only, class averages outside this range may be approved by the Undergraduate Chair or Chair. Class averages are not grounds for appeal.

18.2 Senate Policy
For The University of Western Ontario Senate Regulations, please see the Handbook of Academic and Scholarship Policy at:
http://www.uwo.ca/univsec/academic_policies/index.html
