GROUP PROJECTS:

BUSINESS RESEARCH PROJECT

There is a research project that will be completed as a group. Groups will be assigned by the Instructor no later than the end of class on September 27, 2021.

FINAL PROJECT

Students will present a business case for a new e-Commerce shopping business and develop a strategy and action plan for each of the 5 pillars of the Retail Business Ecology. Using a series of worksheets and independent efforts, groups will research a marketplace and craft a business strategy for executing an online e-commerce operation.
Groups will present in-class using Powerpoint or another such technology in a randomly determined order and each group will have 12 minutes to present (considering the following):

- :30 Introduction + Elevator Pitch
- 1:00 Describe Audience + Personas
- 2:00 Acquisition Strategy
- 2:00 Experience Strategy
- 2:00 Conversion Strategy
- 2:00 Retention Strategy
- 2:00 Support Strategy
- :30 Summary

Note: The business case MUST include purchasing actual items (physical products) through the Website with the intent to deliver the products to the customer.

Final Project Requirements

The final project in-class presentations are to last no longer than 12 minutes. Presentations will be cut short if they go over. Students are encouraged to arrive at class early for the presentation in order to ensure that Powerpoint presentations, Websites and other material are correctly formatted and that they will work.

An electronic version of the presentation materials (Powerpoint, keynote, etc.) should be uploaded to OWL or emailed to the instructor no later than 6:30PM on Dec 6, 2021. Please note that links to online Powerpoint-style services such as Prezzi will not be accepted - the presentation must be self-contained and viewable 'off-line'. Additionally, all groups should arrive with a printout of the presentation for the instructor.

All students are required to be in-class at all times through the final presentation. Any student not present at the end of the class will receive a mark of ‘0’ for the presentation if they do not respond when called.

PROJECT MARKING

The project presentations will be marked according to this rubric

- Strategic Thinking (40%)
- Use of RBE (20%)
- Use of Research Tools (20%)
- Business Model Creativity (10%)
- Presentation Quality & Preparedness (10%)

Notes Regarding The Presentations

All group members must participate in the presentation.

It is students' responsibility to ensure that the Powerpoint is viewable on the classroom's projection system, and to provide for any special software, computers, or accessories - such as adaptors - that are required for the presentation to occur.

A copy of all presentation material is due via OWL or immediately prior to the presentation class commences. This material must be easily viewable by the instructor on a standard mac or PC, and must be packaged to be viewable ‘offline.’

An APA-formatted bibliography or works-cited page must accompany all presentations. Each citation must be directly referenced in the work, according to APA style rules.
Students must remain in attendance through all presentations. Any departure prior to the end of class will result in a 0 grade being assigned for the individual's presentation.

All presentations will be videoed for subsequent review by the instructor. These materials will not be made available to students or posted anywhere online.

**INDIVIDUAL WORK**

**ELEVATOR PITCH**

You will individually develop a one-page Elevator Pitch based on a provided template. This will be the first step toward validating an eCommerce Strategy.

**Marking Rubric**
- Describes position in marketplace: 25%
- Clearly defines differentiated position: 50%
- Provides evidence-based value: 25%

Project outline will be available via OWL

**IN-CLASS ATTENDANCE**

Each week, attendance will be noted by a 0, 0.5 or 1:
- 0 - The student was absent from class or was disruptive in the class.
- .5 - The student had an excused absence for the class.
- 1 - The student attended the class.

At the end of term, these numbers will be tallied and applied as a basis for calculating the attendance mark.

7. Student Responsibilities
Students should familiarize themselves with Western University Senate Regulations, please see: http://www.uwo.ca/univsec/academic_policies/index.html.

Material covered in lectures will not always be the same as material covered in the textbook. These two sources should be viewed as complimentary and not redundant. As such, students who want to do well in this course are strongly encouraged to attend lectures on a regular basis. Please note that the instructor will not be providing copies of lectures notes or overheads. Therefore, if you miss a lecture, you should try to obtain this material from another student.

7.1 Respect
Please act respectfully towards the classroom, the Professor and your fellow students. Acting respectfully means arriving on time, turning off phones, avoiding private discussions during lectures, refraining from viewing non-course material on your laptops, and cleaning up after yourself. Acting respectfully provides a better learning experience for everyone.

Private in-class discussions are distracting to students and the Professor. If other students are distracting your attention from the material, you should ask them to be quiet. If you feel uncomfortable doing this (or the problem persists), please see the instructor.

Late arrivals are also distracting. Please try to arrive on time for classes.

7.2 No Recording of Classes
Students are not permitted to record any portion of a class, audio or video, without the prior written permission of the professor.

7.3 Copyright Notice
Lectures and course materials, including power point presentations, outlines, and similar materials, are protected by copyright. You may take notes and make copies of course materials for your own educational use. You may not record lectures, reproduce (or allow others to reproduce), post or distribute lecture notes, wiki material, and other course materials publicly and/or for commercial purposes without my written consent.

8. Exam Policies

IN-PERSON
- Bring student identification to exams.
- Nothing is to be on/at one’s desk during an exam except a pencil, an eraser, and the individual’s student card
- Do not wear baseball caps to exams
- Do not bring music players, cell phones, beepers, or other electronic devices to exams

9. E-mail Policies
The following policies apply to all emails between students and the Professor. Please respect the fact that the Professor receives hundreds of emails from students and must deal with those emails in a fair and organized manner. Unacceptable emails will receive a reply saying only “Please see Email Policies on the course outline”.

9.1 UWO.CA Email Addresses Only
For privacy reasons, students must use their Western email accounts to contact the Professor. The Professor will not respond to emails from non-uwo.ca addresses (e.g. hotmail.com, gmail.com, etc.).

9.2 Subject Line Must Include Course and Section Number
The subject line of emails must contain the name or number of the course, and the section number in which the student is enrolled. The Professor teaches different courses and sections and cannot properly respond to questions if he does not know which course or section you are enrolled in.

9.3 Acceptable Emails
- questions about the course content or materials
- asking to set up an appointment to ask questions or review an exam
- notification of illness or other special circumstances
- providing constructive comments or feedback about the course

9.4 Unacceptable Emails
- questions that may be answered on OWL or on this course outline
- asking when grades will be posted
- asking what grade a student received
- asking where or when an exam is scheduled or the material covered on an exam
- requests for grade increases, extra assignments, or reweighting of course components

10. Attendance
IN-PERSON: It is expected that students will attend all classes. The professor does not provide access to lecture notes. Students are encouraged to obtain missed lecture notes from a fellow student.

10.1 Short Absences.
If you miss a class due to minor illness or other problems, check your course outlines for information regarding attendance requirements and make sure you are not missing a test or exam. Cover any readings and arrange to borrow the missed lectures notes from a classmate.

10.2 Extended Absences.
If you are absent more than approximately two weeks or if you get too far behind to catch up, you should consider reducing your workload by dropping one or more courses. The Academic Counsellors can help you to consider the alternatives. At your request, they can also keep your instructors informed about your difficulties.

11. Grade Fairness
Fairness requires that all students be treated equally and be evaluated using the criteria set out in this course outline. The evaluation criteria are based on actual achievement and not on how hard a student has tried.

Claims by students of an excellent academic history, good attendance record, need to obtain or maintain a scholarship, desire to be admitted to Ivey or graduate school, or other personal issues, cannot be used to justify a higher grade in the course or a reweighting of course components. There is no extra work or assignments available for extra credit or to “make up” for a course component that was missed or performed poorly.
12. Posting of Grades
Midterm exam grades will be posted on OWL once the grades are available. Final exam grades and final course grades are not posted on OWL and are available once they have been posted by the Registrar under “Academic Summary” at the Student Centre website.

13. University Policy Regarding Illness
13.1 Illness
For details on the Academic Consideration for Student Absences (including accommodation, illness and self-reported absences (SRAs)), go to:
https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_illness.pdf

The current Illness Policy is available here (subject to change):
https://dan.uwo.ca/undergraduate/course_information/IllnessPolicy.pdf

13.2 Make Up Examinations
The student must write a make-up exam if the regularly scheduled exam is missed for reasons for which adequate documentation is received by the instructor (this documentation must be supplied by the Academic Counseling office).

The date and time of the make-up examination will be set by the instructor, who will communicate the date to the student.

If a student is unable to meet the scheduled make-up as agreed, then the student is responsible for obtaining new accommodations from Academic Counselling, and seeking a new make-up date with the instructor within a reasonable time frame.

14. University Policy on Cheating and Academic Misconduct
Students are responsible for understanding the nature of and avoiding the occurrence of plagiarism and other academic offenses. Students are urged to read the section on Scholastic Offenses in the Academic Calendar. Note that such offenses include plagiarism, cheating on an examination, submitting false or fraudulent assignments or credentials, impersonating a candidate, or submitting for credit in any course without the knowledge and approval of the instructor to whom it is submitted, any academic work for which credit has previously been obtained or is being sought in another course in the University or elsewhere. If you are in doubt about whether what you are doing is inappropriate, consult your instructor. A claim that “you didn't know it was wrong” will not be accepted as an excuse.

A copy of guidelines about how to avoid cheating can be obtained from the Office of the Ombudsperson, Room 3135 WSSB, (519) 661-3573, ombuds@uwo.ca.

Cheating on exams will not be tolerated; students are referred to the university policy on scholastic offenses. Looking at the test of another student, allowing another student to view your exam, or obtaining information about a test in advance are all examples of cheating.

Students found cheating will receive a zero (0%) on that exam. A number of safeguards will be employed to discourage cheating. For example, examination supervisors (proctors) of the tests may ask students to move to another seat during the exam, cover their paper, avert their eyes from other students’ papers, remove baseball caps, etc. This is not meant as a personal affront nor as an accusation of cheating, rather as vigilant attempts at proctoring.

The penalties for a student guilty of a scholastic offense include refusal of a passing grade in the assignment, refusal of a passing grade in the course, suspension from the University, and expulsion from the University.
15. Procedures For Appealing Academic Evaluations
1. In the first instance, all appeals of a grade must be made to the course instructor (informal consultation).
2. If the student is not satisfied with the decision of the course instructor, a written appeal must be sent to the Undergraduate Chair: Student Affairs of the Department of Management and Organizational Studies.
3. If the response of the Undergraduate Chair is considered unsatisfactory to the student, he/she may then appeal to the Dean of the Faculty in which the course of program was taken.
4. Only after receiving a final decision from the Dean may a student appeal to the Senate Review Board Academic. A Guide to Appeals is available from the Office of the Ombudsperson.

16. Support Services
